The Nevada Division of Water Resources has no issues with a groundwater use restriction by the landowner as an IC.

Let me know if you have any questions.

Thanks,

Jeryl

I have no comments on the meeting summary or recap of responses to comments.

My action item was to inquire about groundwater restriction potential from SPS.

I have made the inquiry and am awaiting a response from Division of Water Resources.

Thanks,

Jeryl

Chris,

Attached is a summary of our January 27, 2016 meeting regarding Technical Memorandum 1 for OU-3 at the Yerington site. The attached summary also includes response to EPA comments dated January 12, 2016. Please let me know if you have any questions or would like further discussions on the content of Tech Memo 1 or the attached summary.

Thanks,

-jack
